Please hand each player a copy of the Interleague Policy attached to the email, so they understand the potential consequences if they do not make themselves available for Interleague. Please be mindful of the below extract from the Interleague Policy:

“It is the responsibility of the player’s club to further explain the expectations of the league and the accountability process that is documented in this policy.

A player named in the initial squad will have fourteen calendar (14) days to provide the Operations Manager with written evidence of unavailability. This submission must include the reasons and any evidence that is relevant. Players who are later added to the squad and are unavailable must arrange an appropriate timeframe with the Operations Manager to submit their evidence.

All players who cannot attend training or play must firstly notify and discuss their reasons with the Chairman of Selectors.”

For any concerns contact Sheridan Harrop, Operations Manager, on 0408 807 325 or Scott McNeil, Chairman of Selectors, on 0419 561 126
